

The Living Realtors 
CASA IPARI

Detail:

 1,137 M2 - 12,238.56 SQ FT

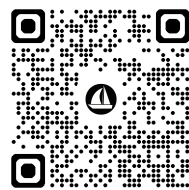

Craft your dream residence in Punta Tokipa—where modern design meets untouched beauty. Enjoy luminous days, ocean winds, and views that blend the sea and jungle into one horizon.

Perched on a jungle-clad hillside, Casa Ipari blurs the line between architecture and nature. Thoughtfully stepped into the terrain, the home unfolds across multiple levels, with the heart of the residence on the main floor: a grand palapa for open-air living, dining, and gathering, all flowing seamlessly to the infinity-edge pool and panoramic jungle views.

Key Features

- 5 Luxury Suites with the Master conveniently located on the main access level.
- Dedicated Wellness Zone with equipped gym, plus integrated parking, storage units, and technical rooms.
